

CERTIFICATION

according to **ART. 6 (6)**
COUNCIL REGULATION (EU) N^o 333/2011

The company
ALBA Metall Nord GmbH
with registered office in
Werkstraße 1
18069 Rostock

is hereby certified to operate a quality management in accordance with the requirements of Council Regulation (EU) No. 333/2011 of March 31, 2011 (end of waste status).

This certificate is valid for the Wilhelmshaven branch, Emsstraße 29, 26382 Wilhelmshaven and ferrous metals (here: cast iron, trade grade).

The criteria specified in Council Regulation (EU) No. 333/2011 proving that the above-mentioned metals are no longer to be regarded as waste are demonstrated by the results of the audit and assessment of the company by the undersigned environmental verifier on June 11th/12th, 2024 and June 28th, 2024.

This certificate is valid until June 30, 2027, the next monitoring assessment will take place in June 2025, and the next recertification will be in June 2027.

Dresden, June 28th, 2024

Walter Hammann
Certified Environmental Verifier
